Our charcoal grill

Built by oven maker Elias Neuner based on ideas from Waal and Thomas – robust, precise, and the heart of our kitchen.

We use a variety of regional woods, each adding its own distinct character to the dishes.

The grill functions as a barbecue, smoker, and ember pit all in one.

Whether vegetables, fish, meat, or herbs – much of what we serve has met the flame.

This creates an honest, pared-down cuisine with natural depth and a delicate smoky aroma.
